Subject: Special Training Requirements).

2. In order that OPC and OSO may obtain the maximum benefits from these extended TRD responsibilities, it is recommended that the Divisions and Staffs of OPC and OSO expand the responsibilities of the Training Liaison Officers to include operational coordination for all training projects. In addition to their present liaison responsibilities, each TLO would:

a. Serve as the Division or Staff channel to and from TRD.

b. Be completely familiar with all regular and special training facilities and services now offered by TRD, in order to:

(1) Supply guidance and assistance to Division and Staff personnel regarding special TRD techniques applicable to proposed special training projects.

(2) Obtain from TRD all training materials necessary for use by overseas stations.
